

The Pursuit of Possibilities

Scientific curiosity is the lifeblood of Clopay.

For over seventy years, we have never rested in our quest to broaden our understanding not only of chemistry and physics, but also the needs of our customers. Specialized yet diverse, Clopay provides the vital resources needed to bring product ideas to market in the shortest time possible. Clopay is a world-class company with manufacturing and distribution facilities in the United States, Europe, and South America. We invite you to explore the possibilities and put our natural curiosity to work for you. For more information, visit our web site at www.clopayplastics.com or call 800-282-2260.
